Open House

- We hold an Open House for all students the Thursday and Friday of Labor Day week prior to the first day of school.
- Generally, we begin classes the Monday and Tuesday after Labor Day. We hold our Open House at this time so the children can see the classroom, meet the teachers and find some activities to look forward to.
- However, you may contact the school anytime throughout the school year to set up a tour to see the school.
- Many of the children who attend Pre-K at St Rose remain here throughout their elementary school years.

Pre-K 3yr old Curriculum

The curriculum for the three year old classes divides the school year in half. We begin the school year with various arts and crafts, games and other activities centered on nursery rhymes and the fall season and holidays.

In January, we add literacy and math to our curriculum, teaching about shapes and colors.

Once we have completed these units, we briefly learn about the alphabet and numbers 1-10.

We use "I am Special" religion series to develop a positive attitude about themselves, their families and their friends by discovering and learning about many gifts God has provided.

What will my child need?

- All children should wear sneakers every day.
- Each child should bring to school a backpack large enough to carry home projects and papers.
- It is also recommended that an extra set of clothes stay in the backpack in case of an emergency.
- Full day students will also need a nap mat or pillow & blanket for rest time.
- Full day children will have the option of bringing a lunch or purchasing the school lunch of the day.
- Snacks – parents may be asked to provide a snack for the class approximately every six weeks. We prefer to serve healthy snacks.
